REPORT ON TREE PLANTATION

On 13th October 2022, the NSS Units(I & II) of A.D.M. College for Women(Autonomous), Nagapattinam successfully completed the event of Tree Plantation near Collector's camp office, Kadambadi, Nagapattinam. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂ . As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today. The event was began with the welcoming of guest Honorable Thiru. Yogesh Kumar Meena, I.F.S., Wildlife Warden, Nagapattinam District. Welcome speech has been given by the Unit-I Programme Officer Mrs.M.Prabavathy, Assistant Professor of Mathematics. At that time, the chief guest advice the volunteers to think differently for the Society to make positive changes and to make improvement. Unit-I and Unit II Programmer Officers oriented the NSS volunteers by notifying the importance of NSS for them as well as society. After the inspirational words of guests, all the volunteers move towards the place where tree plantation took place. A very first tree planted by the chief guest. Total tree planted by all others including teachers, volunteers was more than 35 on the day. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature. The Programme officers made all the necessary arrangements. Nearly 50 volunteers actively planted tree saplings.
